Project: Marine Science Instructional and Research Facility Design RFQ

ADDENDUM NO. 1

THIS ADDENDUM IS BEING ISSUED for clarification and/or revisions of the RFQ as noted. This document is hereby made a part of the Contract Documents to the extent as though it was originally included herein.

REVISIONS TO RFQ:

- Item 1 Section 11 Evaluation Process, paragraph 5 (page 7) REVISE to read:
“**Evaluation committee members will score each interview using a weight of 40. The weighted score for each short listed firm interviewed will be added to their respective original scores outlined in Section 8 Evaluation Criteria.** OSU will use the information presented during the interview to further evaluate the respondent’s abilities and develop the final ranking of the short-listed firms, in order of preference.”

QUESTIONS/ANSWERS:

- Item 2 **Q:** Will OSU be providing the land survey for the design team, or will the surveying be the responsibility of the selected design team?
A: OSU will contract for a land survey and the selected contractor will also hire a surveyor.
- Item 3 **Q:** Will there be sea water brought into the building?
A: No.
- Item 4 **Q:** Please describe the kinds of labs in the project. Are they dry labs, wet labs, etc?
A: There will be a combination of wet labs and dry labs. The mix will be determined during the design process.
- Item 5 **Q:** Is the site specific tsunami analysis included in the architectural RFP or will that be a separate RFP?
A: It will be included in the architectural scope of work.

CLARIFICATIONS:

- Item 6 If your firm is interested in being included in a *courtesy* Plan Holders list to be posted on the OSU Business and Bid Opportunities web site, please notify Brooke Davison via email at: Brooke.Davison@oregonstate.edu before the deadline for submissions.

END OF ADDENDUM NO. 1
