## CHEMICAL, BIOLOGICAL AND ENVIRONMENTAL ENGINEERING BUILDING DESIGN

### **Request for Qualifications**

Oregon State University (OSU) is seeking qualifications from architectural firms for the architectural, structural, mechanical, telecommunications, electrical, civil, and landscape design for a new building for the College of Engineering. This building will house a portion of the School of Chemical, Biological and Environmental Engineering and will provide space for academics, research, faculty and staff offices, and general purpose classrooms on the OSU Campus.

Interested firms should download the RFQ from the OSU Procurement and Contract Services website at [pacs.oregonstate.edu](http://pacs.oregonstate.edu) (under Projects & Solicitations) and then respond in writing to the RFQ by 2:00 PM, Wednesday, May 8, 2013. If you have difficulties downloading the document, contact Donna Thwing, Construction Contract Services, 3015 SW Western Blvd, Corvallis, Oregon 97333, by email at [donna.thwing@oregonstate.edu](mailto:donna.thwing@oregonstate.edu) or telephone 541-737-7694.

OSU is an AA/EEO employer and encourages the submittal of responses from women, minority-owned and emerging small business enterprises.

OSU may reject any response not in compliance with all prescribed public contracting procedures and requirements, and may cancel this solicitation or reject any or all responses upon a finding of OSU it is the public interest to do so.
