**INFORMAL REQUEST FOR PROPOSAL  
No. DC164226IP**

**OSU CHILD CARE NEEDS ASSESSMENT SURVEY**

April 26, 2013

Oregon State University (OSU) Procurement and Contract Services (PaCS) is seeking Responsive Responsible Proposers to submit Proposals for a comprehensive child care needs assessment study to better understand the needs of the university's faculty, staff and students for child care services. The assessment should include a comprehensive examination of the availability of child care in the area, the level of demand for child care, the related costs, space requirements for any services to be provided by the university, and alternative models with financial implications for each. Procuring a Child Care Needs Assessment survey is part of OSU's ongoing commitment to work/life balance, supporting faculty, staff and students in managing their work, study, and family responsibilities. Accessibility to child care impacts job satisfaction, retention and productivity.

Interested vendors may respond in Writing and in accordance with the instructions in this Informal Request for Proposal (IRFP) no later than May 31, 2013. OSU is an AA/EEO employer and encourages the submittal of responses from women, minority-owned and emerging small business enterprises.

If you have any questions regarding this IRFP, please contact me at the telephone or e-mail address indicated below.

Sincerely,

Donna Cain

## **1.0 BACKGROUND**

### 1.01 OREGON STATE UNIVERSITY:

Founded in 1868, Oregon State University is a comprehensive, research-extensive, public university located in Corvallis. OSU is a member of the Oregon University System and one of only two American universities to hold the Land Grant, Sea Grant, Space Grant and Sun Grant designations. OSU is also the only Oregon institution to hold the Carnegie Foundation's top ranking for research universities, a recognition of the depth and quality of OSU's graduate education and research programs.

Through its centers, institutes, Extension offices and Experiment Stations, OSU has a presence in almost every one of Oregon's 36 counties, including its main campus in Corvallis, the Hatfield Marine Sciences Center in Newport and OSU-Cascades Campus in Bend. OSU offers undergraduate, masters and doctoral degrees through 12 academic colleges enrolling more than 25,000 students from every county in Oregon, every state in the country and more than 90 nations.

### 1.02 BACKGROUND:

Child care reports conducted by various campus groups suggest that there is an inadequate supply of accessible, quality, and affordable child care on or near the OSU Corvallis campus to meet the demands of the students, faculty and staff who have need of it while attending classes or going to work.\* However, the surveys are unable to determine the projected growth of child care demands and the models of care that would be best suited to OSU's population and organizational structure. Nevertheless, anecdotal evidence, such as long waiting lists at the existing on-site child care center, Beaver Beginnings, the loss of Growing Oaks as an on-site child care option, and increasing numbers of distressed calls from students, faculty and staff who assert that they cannot find adequate and affordable care for their children suggest that inadequate child care is negating parents' abilities to be successful students and employees. In order to better understand this problem, its impact to the university, and solutions that are best suited for OSU, the President's Commission on the Status of Women recommends that OSU contract with an independent, professional agency to determine the need and appropriate solutions for the OSU Corvallis campus. The office of Childcare and Family Resources will provide the funding and oversight of the project.
