## RESER STADIUM/PROTHRO FIELD TURF REPLACEMENT

### Request for Qualifications

Oregon State University is seeking Qualifications from general contractors (GC) for the Reser Stadium/Prothro Field Turf Replacement project (the “**Project**”). The anticipated scope for the Reser Stadium portion of the work is the replacement of the existing synthetic turf while retaining the existing infrastructure, including the field drainage system. The anticipated scope for Prothro Practice Field is replacement of the existing natural grass turf with a synthetic turf system, including installation of specified infrastructure, installation of field lighting, and associated hardscape and landscape renovation. On-site construction is anticipated to begin approximately late March, 2012.

Interested firms should download the RFQ from the OSU Procurement and Contract Services website <http://pacs.oregonstate.edu> (under Projects & Solicitations, Open Solicitations) and then respond in writing to the RFQ before 2:00 PM, January 26, 2012.
