

## EXHIBIT B

### **Campus Exterior Garbage and Recycling Collection:**

Exterior trash and recycling bins (including parking structure bins) throughout campus will be emptied at least once per day. Some exterior bins around core buildings may need to be emptied more often according to use.

The following areas must be picked up multiple times per day: trash cans around food vendors, Cramer-Smith-Neuberger park blocks, and Urban Center & Plaza.

During collection rounds, trash on sidewalks will also be picked up. Custodial contractor will be responsible for cleaning the outside and inside of trash/recycling bins and corrals.
