**RFP Section 2: Scope of Work, C. Cooperative Purchasing, and E. Purpose of this RFP and Scope**

Section 2: Scope of Work, C. Cooperative Purchasing, is hereby deleted in its entirety and replaced with the following:

**C. COOPERATIVE PURCHASING:**

This procurement is a cooperative procurement by PSU and OHSU. In addition to PSU and OHSU, Oregon State University, may utilize any contract(s) awarded as a result of this solicitation. Oregon State University (“OSU”) shall be responsible for its obligations to the awarded vendor(s). Likewise, the vendors shall be responsible to OSU for their obligations to OSU pursuant to any ensuing contract(s). Any such purchases shall be between the vendor and OSU and shall not impact the vendor’s obligation to PSU or OHSU. PSU and OHSU make no representation or guarantee as to the volume of such additional purchases.

Section 2: Scope of Work, E. Purpose of this RFP and Scope, is hereby deleted in its entirety and replaced with the following:

**E. PURPOSE OF THIS RFP AND SCOPE:**

The purpose of this RFP is to procure research lab equipment and supplies to be used in the CLSB for OHSU, OSU and PSU at competitive pricing. Each Institution (either PSU or OHSU or OSU) will be responsible for issuing purchase orders for the acquisition of its own goods and services. The Institutions anticipate that pricing submitted will be well below current discount rates for each Institution. We expect that this pricing will be held firm for the term of the project (through December 31, 2014). The Institutions make no promise of level or amount of Group 2 Equipment or Group 3 Equipment to be purchased as a result of this RFP.

**Revised Schedule of Events**

The Schedule of Events identified in this Amendment 2 replaces all other Schedule of Events previously issued.
