**Notice of Intent to Cancel RFQ #23036**

To: Respondents to Portland State University's Request for Quotations #23036  
for "Website Design and Development Professional"

From: William C. Terry, Contracts Officer

Subject: Notice of Intent to Cancel RFQ #23036

This Notice is to inform the respondents that the Portland State University evaluation team for "Website Design and Development Professional" has decided to CANCEL RFQ #23036 due to a lack of sufficient quotations received in order to make an award that would be in the best financial interest of PSU.

The RFQ will be re-posted in the near future and any and all respondents are eagerly encouraged to submit their quotation to the new solicitation.

Thank you.
