2.0 INTRODUCTION AND BACKGROUND

2.01 INTRODUCTION

OSU is seeking professional real estate sales and marketing services for the sale of a historic residential building currently located at 3036 Orchard Avenue on OSU's main campus in Corvallis, OR. The approximately 2,600 square foot building formerly known as the Black Cultural Center (BCC) is a vernacular style, single-family residential structure that previously housed OSU's Black Student Union. The two-story building was constructed in 1920 and is a Contributing Resource within the OSU National Historic District. It is for sale independent of the associated land. The purchaser of the building must move the structure from its current location on OSU's campus to property owned by the purchaser. The acquisition of all required permits for the relocation of a historic structure is the responsibility of the purchaser, but OSU staff will provide assistance. OSU has an immediate need to sell this property and is interested in a short timeline for the sale

of this property. The selected real estate professional will assist in the development of a marketing and sales strategy tailored to the unique nature of this property sale and timeline.

2.02 BACKGROUND

The former BCC building was constructed in 1920 as a single detached residence. It was later converted to a cultural center in the 1970's. There have been some alterations to the structure over the years, but the structure has retained many of its original features and primarily remains configured as a single-family home, including an attached garage. The first floor of the building features a kitchen, dining room, living room with fireplace, an accessible half bath, and two office rooms that could be used as bedrooms. The upstairs could be used as a separate unit and features a bedroom, a full bath, a kitchen, a dining area, a study/ living room area with fireplace. A 168-square-foot, single-story addition to the rear of the building and limited interior remodel was completed in 1999. The attached single car garage was converted to an office room prior to that time.

The former BCC building was originally located at 2320 NW Monroe Avenue where it historically was part of Corvallis's Park Terrace/North College Hill neighborhood. In August of 2013, the former BCC building was relocated to 3036 Orchard Avenue to accommodate the construction of a new Black Cultural Center building at the 2320 NW Monroe Avenue site. To accommodate the move of the structure, the building was moved in three parts. The 168 square foot addition and a portion of the overhanging roof were separated from the original structure and moved separately. The portion of the brick chimney above the roof was deconstructed and retained. All utilities were disconnected and asbestos hazards were abated. The building remains on cribbing and prepared for moving.

Because the structure is a Contributing Resource within the OSU National Historic District, demolition and salvage is not permitted, and moving the structure will require the review and approval of a Historic Preservation Permit (HPP) by the City of Corvallis's Historic Resources Commission. Approval of an HPP application is likely to be contingent on siting the relocated building within a recognized National Register of Historic Places Historic District or establishing a Historic Preservation Overlay on the building's new site per Corvallis' Land Development Code. OSU Capital Planning and Development staff will assist potential purchasers with the HPP permit process and the implementation of a historic preservation zoning overlay if necessary.

2.03 OREGON STATE UNIVERSITY

Through its centers, institutes, Extension offices and Experiment Stations, OSU has a presence in almost every one of Oregon's 36 counties, including its main campus in Corvallis, the Hatfield Marine Sciences Center in Newport and OSU-Cascades Campus in Bend. 5.02 EVALUATION

The stages of review and evaluation are as follows:

a. Determination of Responsiveness:

OSU will first review all Proposals to determine Responsiveness. Proposals that do not comply with the instructions or are incomplete may be deemed non-Responsive. Written notice will be sent to Proposers whose Proposal is deemed non-Responsive identifying the reason. A Proposer has the right to appeal the decision pursuant to OAR 580-061-130(5)(a).

b. First Stage Evaluation:

Those Proposals determined to be Responsive will be evaluated using the required submittals. Proposals will be scored based on the evaluation criteria listed below. Scores will be used to determine Proposer's within a competitive range. The competitive range will be made of Proposers whose individual scores, when viewed together, form a group of the highest ranked Proposers above a natural break in the scores.

OSU may award after the first stage evaluation to the highest ranked Proposer without moving on to the second stage evaluation. If this option is selected, Written notice of intent to award the Contract to the highest ranked Proposer will be provided to all Responsive Proposers, or an award may be made directly without notice of intent in those instances of a single Responsive Proposer.

The maximum points available for each criterion are identified below.

<u>Evaluation Criteria</u>	<u>Points</u>
Quality of marketing plan, buyer incentives and sales strategies	35
Proposed timeline	30
Demonstrated understanding of the unique challenges presented by this property sale	25
<u>Proposer's qualifications relative to the preferred qualifications</u>	<u>10</u>
Total	100

c. Second Stage Evaluation:

It is likely that an award will not made after the first stage evaluation, in which case OSU may choose any of the following methods in which to proceed:

- i. Issue a Written invitation to Proposers within the competitive range requesting an interview (telephonic or in-person), presentation, site visit or any other evaluative method that is relevant to the goods or services solicited in the Request for Proposal. Written invitations will contain the evaluation criteria and scoring that will be used by the evaluation committee.
- ii. Engage in oral or Written discussions with and receive best and final Proposals from all Proposers in the Competitive Range or all Proposers submitting Responsive Proposals. Discussions may be conducted for the following purposes:
 - Informing Proposers of deficiencies in their initial Proposals;
 - Notifying Proposers of parts of their Proposals for which OSU would like additional information; or
 - Otherwise allowing Proposers to develop revised Proposals that will allow OSU to obtain the best Proposal based on the requirements set forth in this Request for Proposal.
- iii. Enter into negotiation with the highest ranked Proposer regarding the statement of Work, the not-to-exceed amount offered, and contract terms (see section 5.03 Negotiations). If an agreement cannot be reached between OSU and the highest ranked Proposer, OSU will formally end negotiations with that Proposer and may commence negotiations with the next highest ranked Proposer. This process of selecting and negotiating with Proposers will continue until an agreement is reached and an award is made.

The conditions, terms, or price of the Proposal may be altered or otherwise changed during the course of the discussions provided the changes are within the scope of the Request for Proposal. Best and final Proposals will be scored based on the evaluation criteria listed below in section 5.03.

Points awarded in the first stage evaluation will not be carried to the second stage evaluation. Contract will be awarded to the Proposer who in OSU's opinion, best meets the requirements and qualifications of the RFP and OSU's needs.

d. **Additional Stages of Evaluation:**

If after completion of the second stage of evaluation, an award is not made, OSU may add another stage of evaluation using any of the methods outlined in the second stage evaluation above.

5.03 NEGOTIATIONS

OSU may commence serial negotiations with the highest ranked Proposer or commence simultaneous negotiations with all eligible Proposers. OSU may negotiate:

- a. The statement of Work;
- b. The Contract price as it is affected by negotiating the statement of Work; and
- c. Any other terms and conditions determined by OSU in its sole discretion to be reasonably related to those expressly authorized for negotiation.

Terms and conditions within the sample contract that are unrelated to the statement of work or Contract price may be negotiated after award, but before legal review or execution of the Contract.

5.04 INVESTIGATION OF REFERENCES

OSU reserves the right to investigate and to consider the references and the past performance of any Proposer with respect to such things as its performance or provision of similar goods or services, compliance with specifications and contractual obligations, and its lawful payment of suppliers, subcontractors, and workers. OSU further reserves the right to consider past performance, historical information and facts, whether gained from the Proposal, Proposer interviews, references, OSU or any other source in the evaluation process. OSU may postpone the award or execution of the Contract after the announcement of the notice of intent to award in order to complete its investigation.

Proposers are not required to return Addenda with their Proposal. However, Proposers are responsible for obtaining and incorporating any changes made by Addendum into their final Proposal.
