2.0 INTRODUCTION AND BACKGROUND

2.01 INTRODUCTION

Procurement, Contracts and Materials Management is seeking Responsive Responsible Proposers to submit Proposals for a Consultant to provide two age-appropriate student leadership events and workshop or professional development opportunity for school staff attending the events.

2.02 BACKGROUND

GEAR UP (Gaining Early Awareness and Readiness for Undergraduate Programs) is a federal program housed at Oregon State University and designed to help low-income students prepare for and succeed in postsecondary education. Currently the program is in place in fifty-four low-income serving middle and high schools throughout the state. Each school operates the program with autonomy but within a shared theoretical framework, to provide meaningful academic enrichment activities that result in systemic school improvement.

GEAR UP sponsors two student leadership events. The goal of the leadership events is to help students build life, leadership, and learning skills needed to become proactive learners and responsible leaders, with the ultimate goal of pursuing a postsecondary education. Students will leave the program with increased academic confidence, higher levels of motivation, skills for working in teams, and heightened personal awareness. The two leadership events will target up to (100) 7th & 8th grade students and up to (100) high school students (9th – 12th grades). In addition to the planned student activities, there will also be a workshop or professional development opportunity for school staff attending as chaperones.

At this time, GEAR UP is looking to obtain the services of a Contractor who will provide curriculum development, facilitation of the workshop activities and materials for both student leadership events as well as a workshop or professional development opportunity for school staff. The 2017 events will take place August 7-10, 2017 at Oregon State University- Cascades Campus in Bend, Oregon. There will be an option for Contractor to provide services for two additional years beyond 2017.

Proposers who are included in the second stage evaluation may be requested to provide additional information about their Proposal through interviews, presentations, requests for best and final Proposals or other methods relevant to the goods or services, in order for the evaluation committee to make a final determination. 5.03 AWARD

Contract will be awarded to the Proposer who, in OSU's opinion, meets the requirements and qualifications of the RFP and whose Proposal is in the best interest of OSU. If a successful Contract cannot be completed after award, OSU may conclude contract negotiations, rescind its award to that Proposer, and return to the most recent RFP evaluation stage to negotiate with another Proposer(s) for award.

5.04 INVESTIGATION OF REFERENCES

OSU reserves the right to investigate and to consider the references and the past performance of any Proposer with respect to such things as its performance or provision of similar goods or services, compliance with specifications and contractual obligations, and its lawful payment of suppliers, subcontractors, and workers. OSU further reserves the right to consider past performance, historical information and facts, whether gained from the Proposal, Proposer interviews, references, OSU or any other source in the evaluation process. OSU may postpone the award or execution of the Contract after the announcement of the notice of intent to award in order to complete its investigation.

6.0 INSTRUCTIONS TO PROPOSERS

6.01 APPLICABLE STATUTES AND RULES

This RFP is subject to the applicable provisions and requirements of the Oregon Revised Statutes, Oregon Administrative Rules, and OSU Policies and Procedures.

6.02 COMMUNICATIONS DURING RFP PROCESS

In order to ensure a fair and competitive environment, direct communication between OSU employees other than the Administrative Contact or other PCMM representative and any party in a position to create an unfair advantage to Proposer or disadvantage to other Proposers with respect to the RFP process or the award of a Contract is strictly prohibited. This restricted period of communication begins on the issue date of the solicitation and for Proposer(s) not selected for award ends with the conclusion of the protest period identified in OAR 580-061-0145(3) and for Proposers(s) selected for award ends with the contract execution. This restriction does not apply to communications to other OSU employees during a Pre-Proposal conference or other situation where the Administrative Contact has expressly authorized direct communications with other staff. A Proposer who intentionally violates this requirement of the RFP process or otherwise deliberately or unintentionally benefits from such a violation by another party may have its Proposal rejected due to failing to comply with all prescribed solicitation procedures. 6.04 ADDENDA

Only documents issued as Written Addenda by PCMM serve to change the Request for Proposal in any way. No other direction received by the Proposer, written or verbal, serves to change the Request for Proposal.

Addenda will be publicized on the OUS procurement website. Proposers are advised to consult the OUS procurement website prior to submitting a Proposal in order to ensure that all relevant Addenda have been incorporated into the Proposal. Proposers are not required to submit Addenda with their Proposal. However, Proposers are responsible for obtaining and incorporating any changes made by Addenda into their Proposal. Failure to do so may make the Proposal non-Responsive, which in turn may cause the Proposal to be rejected.
