L. FORCE MAJEURE.

Neither party is responsible for delay caused by an act or event that prevents the party from performing its obligations under this Contract where such cause is beyond the party's reasonable control and the nonperforming party has been unable to avoid or overcome the act or event by the exercise of due diligence. Such acts or events include without limitation fire, riot, acts of nature, terrorist acts, or other acts of political sabotage or war. Contractor shall make all reasonable efforts to remove or eliminate such a cause of delay and shall, upon cessation of the cause, diligently pursue performance of its obligations under this Contract. However, if delay due to a force majeure event continues for an unreasonable time, as determined by OSU, then OSU is entitled to terminate the Contract.

M. PERMISSIVE COOPERATIVE PROCUREMENTS.

Any such purchases by a public agency other than OSU are directly between the Contractor and the other public agency. The other public agency enjoys the same obligations and rights as OSU under this Contract. Contractor shall provide written notification to OSU when a new public agency begins utilizing this Contract.
