

OREGON STATE UNIVERSITY
NOTICE OF OPPORTUNITY
REQUEST FOR QUALIFICATIONS

Oregon State University (“Owner”) is accepting sealed submittals at Construction Contracts Administration, Oregon State University, 644 SW 13th Ave., Corvallis, Oregon, until 2:00 PM local time, August 22, 2018 for the Storm and Sanitary System Assessment project located on the campus of Oregon State University, Corvallis, Oregon. Interested firms can view the solicitation at <https://bid.oregonstate.edu/> under Construction Related Services.

Oregon State University intends to assess the condition of the existing storm and sanitary sewer system on campus. In addition to an evaluation of the overall condition of the system(s), OSU would like to develop a better understanding of the value of these assets on campus. The information produced in the assessment and field investigation phases of the project will be used to develop a master plan-style document supporting ongoing maintenance and a list of capital projects needed to bring the system(s) into an overall fair-or-better condition. The maintenance plan will be developed to keep the system(s) in that condition.
