6.0 EVALUATION

6.01 EVALUATION

The stages of review and evaluation are as follows:

a. Determination of Responsiveness:

OSU will first review all Proposals to determine Responsiveness. Proposals that do not comply with the instructions, that are materially incomplete, that do not meet the minimum requirements, or that are submitted by Proposers who does not meet minimum qualifications may be deemed non-Responsive. Written notice will be sent to Proposers whose Proposal is deemed non-Responsive identifying the reason. A Proposer has the right to appeal the decision pursuant to OSU Standard 580-061-130(5).

b. First Stage Evaluation:

Those Proposals determined to be Responsive will be evaluated using the required submittals. Proposals will be scored based on the evaluation criteria listed below. Scores will be used to determine Proposers within a competitive range. The competitive range will be made of Proposers whose individual scores, when viewed together, form a group of the highest ranked Proposers above a natural break in the scores.

OSU reserves the right to ask follow-up questions of Proposers during first stage evaluations. The questions will be for the purpose of clarification of information already contained in submittals and not be an opportunity to submit additional documentation or change existing documentation.

OSU may award after the first stage evaluation to the highest ranked Proposer without moving on to the second stage evaluation. If this option is selected, Written notice of intent to award the Contract to the highest ranked Proposer will be provided to all Responsive Proposers, or an award may be made directly without notice of intent in those instances of a single Responsive Proposer.

c. Second Stage Evaluation:

If award is not made after the first stage evaluation, OSU may choose any of the following methods in which to proceed:

- i. Issue a Written invitation to Proposers within the competitive range requesting an interview, presentation, site visit or any other evaluative method that is relevant to the goods or services solicited in the Request for Proposal. Written invitations will contain the evaluation criteria and scoring that will be used by the evaluation committee.
- ii. Engage in oral or Written discussions with and receive best and final Proposals from all Proposers in the Competitive Range or all Proposers submitting Responsive Proposals. Discussions may be conducted for the following purposes:
 - Informing Proposers of deficiencies in their initial Proposals;
 - Notifying Proposers of parts of their Proposals for which OSU would like additional information; or
 - Otherwise allowing Proposers to develop revised Proposals that will allow OSU to obtain the best Proposal based on the requirements set forth in this Request for Proposal.

The conditions, terms, or price of the Proposal may be altered or otherwise changed during the course of the discussions provided the changes are within the scope of the Request for Proposal. Best and final Proposals will be scored based on the evaluation criteria listed below.

Points awarded in the first stage evaluation will not be carried to the second stage evaluation. If a second stage evaluation of all Proposers does not produce an award that is in OSU's best interest, OSU may return to the first stage evaluation to advance additional Proposers to a second stage evaluation.

d. Additional Stages of Evaluation:

If after completion of the second stage of evaluation, an award is not made, OSU may add another stage of evaluation using any of the methods outlined in the second stage evaluation above.

6.02 EVALUATION CRITERIA

Points will be given in each criteria and a total score will be determined. The maximum points available for each criterion are identified below.

| <u>Evaluation Criteria</u> | <u>Points</u> |
|---|---------------|
| Proposal relative to the Statement of Work, Section 3 | 70 |
| Price of the goods or services | 30 |
| Total | 100 |

6.03 NEGOTIATIONS

OSU may commence serial negotiations with the highest ranked Proposer or commence simultaneous negotiations with all Responsive Proposers within the competitive range. OSU may negotiate:

- a. The Statement of Work;
- b. The Contract price as it is affected by negotiating the statement of Work; and
- c. Any other terms and conditions as determined by OSU.

6.04 INVESTIGATION OF REFERENCES

OSU reserves the right to investigate and to consider the references and the past performance of any Proposer with respect to such things as its performance or provision of similar goods or services, compliance with specifications and contractual obligations, and its lawful payment of suppliers, subcontractors, and workers. OSU may postpone the award or execution of the Contract after the announcement of the notice of intent to award in order to complete its investigation.

6.05 CONTRACT AWARD

Contract will be awarded to the Proposer who, in OSU's opinion, meets the requirements and qualifications of the RFP and whose Proposal is in the best interest of OSU. If a successful Contract cannot be completed after award, OSU may conclude contract negotiations, rescind its award to that Proposer, and return to the most recent RFP evaluation stage to negotiate with another Proposer(s) for award.

7.0 INSTRUCTIONS TO PROPOSERS

7.01 APPLICABLE STATUTES AND RULES

This Request for Proposal is subject to the applicable provisions and requirements of the Oregon Revised Statutes, Oregon Administrative Rules, and OSU Policies and Procedures.

7.02 COMMUNICATIONS DURING RFP PROCESS

In order to ensure a fair and competitive environment, direct communication between OSU employees other than the Administrative Contact or other PCMM representative and any party in a position to create an unfair advantage to Proposer or disadvantage to other Proposers with respect to the RFP process or the award of a Contract is strictly prohibited. This restricted period of communication begins on the issue date of the solicitation and for Proposer(s) not selected for award ends with the conclusion of the protest period identified in OSU Standard 580-061-0145(3) and for Proposers(s) selected for award ends with the contract execution. This restriction does not apply to communications to other OSU employees during a Pre-Proposal conference or other situation where the Administrative Contact has expressly authorized direct communications with other staff. A Proposer who intentionally violates this requirement of the RFP process or otherwise deliberately or unintentionally benefits from such a violation by another party may have its Proposal rejected due to failing to comply with all prescribed solicitation procedures. The rules governing rejection of individual solicitation responses and potential appeals of such rejections are at OSU Standard 580-061-0130.

7.03 MANUFACTURER'S NAMES AND APPROVED EQUIVALENTS

Unless qualified by the provision "NO SUBSTITUTE" any manufacturers' names, trade name, brand names, information and/or catalogue numbers listed in a specification are for information and not intended to limit competition. Proposers may offer any brand for which they are an authorized representative, which meets or exceeds the specification for any item(s). If Proposals are based on equivalent products, indicate in the Proposal form the manufacturers' name and number. Proposers shall submit with their Proposal, sketches, and descriptive literature, and/or complete specifications. Reference to literature submitted with a previous Proposal will not satisfy this provision. Proposers shall also explain in detail the reason(s) why the proposed equivalent will meet the specifications and not be considered an exception thereto. Proposals that do not comply with these requirements are subject to rejection. Proposals lacking any written indication of intent to provide an alternate brand will be received and considered in complete compliance with the specification as listed in the RFP.

7.04 REQUESTS FOR CLARIFICATION OR CHANGE

Requests for clarification or change of the Request for Proposal must be in Writing and received by the Administrative Contact no later than the Deadline for Request for Clarification or Change as specified in the Schedule of Events. Such requests for clarification or change must include the reason for the Proposer's request. OSU will consider all timely requests and, if acceptable to OSU, amend the Request for Proposal by issuing an Addendum. Envelopes, e-mails or faxes containing requests must be clearly marked as a Request for Clarification or Change and include the RFP Number and Title.

7.05 ADDENDA

Only documents issued as Written Addenda by PCMM serve to change the Request for Proposal in any way. No other direction received by the Proposer, written or verbal, serves to change the Request for Proposal. Addenda will be publicized on the OSU procurement website. Proposers are advised to consult the OSU procurement website prior to submitting a Proposal in order to ensure that all relevant Addenda have been incorporated into the Proposal. Proposers are not required to submit Addenda with their Proposal. However, Proposers are responsible for obtaining and incorporating any changes made by Addenda into their Proposal. Failure to do so may make the Proposal non-Responsive, which in turn may cause the Proposal to be rejected.

7.06 PREPARATION AND SIGNATURE

All Required Submittals must be Written or prepared in ink and signed by an authorized representative with authority to bind the Proposer. Signature certifies that the Proposer has read, fully understands, and agrees to be bound by the Request for Proposal and all Exhibits and Addenda to the Request for Proposal.

7.07 PUBLIC RECORD

Upon completion of the Request for Proposal process, information in all Proposals will become subject records under the Oregon Public Records Law. Only those items considered a "trade secret" under ORS 192.501(2), may be exempt from disclosure. If a Proposal contains what the Proposer considers a "trade secret" the Proposer must mark each sheet of information as such. Only bona fide trade secrets may be exempt and only if public interest does not require disclosure.

7.08 SUBMISSION

Proposals must be received in the PCMM office no later than the Proposal Due Date and Time; it is the Proposer's responsibility to ensure that the Proposal is received prior to the Proposal Due Date and Time indicated in this RFP, regardless of the method used to submit the Proposal. It is highly recommended that the Proposer confirms receipt of the email with the Administrative Contact noted above or by calling 541-737-4261. EXHIBIT A TERMS AND CONDITIONS

This Addendum supplements and/or modifies the [] (“Agreement”) between Oregon State University (“OSU”) and [] (“Contractor”). In the event of any conflicts between the terms and conditions of Agreement and this Addendum, the terms and conditions of this Addendum shall control, whether or not Contractor has purported to object to any conflicting OSU terms and conditions.

- 1. Availability of Funds/Non-Appropriation:** If OSU fails to receive funding, appropriations, limitations, allotments, or other expenditure authority (including from applicable Federal, state, or other sources) to permit OSU in the exercise of its reasonable administrative discretion to continue this Agreement, or if OSU or the program for which this Agreement was executed is abolished, OSU may terminate this Agreement without further liability by giving Contractor not less than 30 days notice.
- 2. Confidentiality:** This Agreement is subject to the limitations and conditions of the Oregon Public Records Law, ORS 192.410 to 192.505.
- 3. Export Control:** OSU has students and faculty who are foreign nationals who may work with the product or technology received from Contractor pursuant to this Agreement. Contractor represents that it has informed OSU in writing, prior to executing this Agreement, if it is providing OSU any product or technology subject to the U.S. Export Administration Act of 1979, the Export Administration Regulations and the International Traffic in Arms Regulations, and, if so, under what Commerce Control List number(s) or U.S. Munitions List number(s) it is controlled.
- 4. Governing Law:** Any party bringing a legal action or proceeding against any other party arising out of or relating to this Agreement shall bring the legal action or proceeding in the Circuit Court of the State of Oregon for Benton County. Each party hereby consents to the exclusive jurisdiction of such court, waives any objection to venue, and waives any claim that such forum is an inconvenient forum. Notwithstanding the foregoing, if a claim must be brought in federal forum, it must be brought and adjudicated solely and exclusively in the United States District Court for the District of Oregon. This section applies to a claim brought against the State of Oregon only to the extent Congress has validly abrogated the State of Oregon’s sovereign immunity and is not consent by the State of Oregon to be sued in federal court. This section is not to be construed as a waiver of OSU’s immunity based on the Eleventh Amendment to the Constitution of the United States.
- 5. Alternative Dispute Resolution:** OSU may not be compelled to submit itself to arbitration or any other form of alternative dispute resolution that is binding.
- 6. OSU Legal Rights:** OSU does not agree to or waive any rights granted under law, including subrogation and injunctive relief.

OSU assumes full responsibility for the conduct of and damages or loss caused only by its officers, board members, employees, and agents in performance of this Agreement.
- 8. Indemnity of Contractor/Attorney and Legal Fees:** Any indemnification of Contractor by OSU and other monetary obligations owed by OSU to Contractor shall not include liability to pay attorneys’ fees and are subject to the limitations and conditions of the Oregon Tort Claims Act, ORS 30.260 to 30.300, and the Oregon Constitution, Article XI, Section 7.
- 9. Indemnity of OSU/Defense:** (a) Contractor shall indemnify and hold harmless OSU, the Oregon State Board of Higher Education and their respective officers, board members, employees, agents and other representatives against claims, expenses, or losses: (i) that result from Contractor’s negligence, wrongful acts or willful misconduct, or (ii) alleging Contractor’s services, information or materials supplied by Contractor to OSU under this Contract, or OSU’s use of any of the foregoing infringes on any patent, copyright, trade secret, trademark, or other proprietary right of a third party. (b) OSU’s right to receive indemnification under this Section is conditioned upon OSU giving reasonably prompt notice and assistance of any claim; provided however, that OSU’s failure to provide notice and assistance does not limit OSU’s right to indemnification except to the extent such failure or assistance materially affects Contractor’s ability to defend the claim. (c) Contractor’s indemnification obligation under this Section includes but is not limited to all of OSU’s expenses of litigation, court costs and reasonable attorney fees. Contractor shall have control of the defense with counsel reasonably acceptable to OSU, except that: (i) OSU may join the defense with its own counsel and at its own expense if OSU determines there is a conflict of interest or there is an important government principle at issue, and (ii) OSU’s consent is required for any settlement that requires OSU to pay any money, does not release OSU from all liability from the claim, or adversely affects OSU’s interest.
- 10. OSU Insurance:** OSU is self-insured under ORS 352.107, with adequate levels of excess general liability and commercial auto liability insurance, and maintains workers’ compensation insurance for its employees in conformance with ORS Chapter 656.017. A certificate of insurance will be provided upon request. OSU does not waive the right to subrogation.
- 11. Payment to Contractor:** Payment terms are Net 30. After 45 days, Contractor may assess overdue account charges up to a maximum of two-thirds of one percent (2/3 of 1%) per month or eight percent (8%) per annum on the outstanding balance pursuant to ORS 293.462. Fees not expressly approved of prior to execution of this Agreement are not agreed to and will not be paid without prior written approval by OSU.
- 12. Workers’ Compensation:** All employers working under this Agreement are subject employers which must comply with ORS 656.017 relating to providing Workers’ Compensation coverage, unless Contractor is exempt under ORS 656.126. Contractor shall ensure that each of its subcontractors complies with these requirements.
- 13. No Third Party Beneficiaries:** The OSU and Contractor are the only parties to this Agreement and are the only parties entitled to enforce its terms. Nothing in this Agreement gives, is intended to give, or shall be construed to give or provide any benefit or right, whether directly, indirectly or otherwise, to third persons unless such third persons are individually identified by name in, and expressly described as intended beneficiaries of the terms of this Agreement.
- 14. Counterparts:** This Agreement may be executed in counterparts, and via facsimile or electronically transmitted signature (i.e. emailed scanned true and correct copy of the signed Agreement), each of which will be considered an original and all of which together will constitute one and the same agreement.
