Construction Contract Administration
RFQ 198220 - CAMPUS OPERATIONS CENTER DESIGN

ADDENDUM NO. 1

THIS ADDENDUM IS BEING ISSUED for clarification and/or revisions of the Solicitation Documents as noted. This document is hereby made a part of the Solicitation Documents to the extent as though it was originally included therein.

ITEM NO. 1 Questions received to date and OSU responses:

Q: Who is responsible for the Programming efforts for the project? Will the “programming efforts for the Campus Operations complex which are nearly complete” be available for the use of this proposal or only to the team that is selected?

A: BRIC Architecture has been retained to provide programming for this project and it is anticipated that the report will be complete and available for distribution to prospective respondents to the RFQ by March 1, 2019.

Q: What departments/individuals will make up the selection committee for this project?

A: OSU will not identify specific committee members.

Q: For the current Physical Plant Shop Complex south of Kerr Administrative Building, will OSU provide the Hazardous Material Survey and Abatement Plan?

A: This effort is not complete but will be available for the contracted team during design.
