2.0 INTRODUCTION AND BACKGROUND

2.01 INTRODUCTION

Procurement, Contracts, and Materials Management is seeking Responsive Responsible Proposers to submit Proposals for providing printing services for an Oregon State University magazine, *Beaver's Digest*, which will inform the OSU community about student groups, clubs, and organizations.

2.02 BACKGROUND

The Beaver has been the Oregon State University official year book and oldest Student Media publication. This new publication provides students with information about, but not limited to, student groups, clubs, and organizations affiliated with Oregon State University. *The Beaver* also covers other aspects of campus such as academic colleges, major events, and athletics. Student Media would like to shift the publication of this information into three (3) separate publications per year, in magazine format titled *Beaver's Digest*.

2.03 OREGON STATE UNIVERSITY

Founded in 1868, Oregon State University is a comprehensive, research-extensive, public university located in Corvallis. OSU is a member of the Oregon University System and one of only two American universities to hold the Land Grant, Sea Grant, Space Grant and Sun Grant designations. OSU is also the only Oregon institution to hold the Carnegie Foundation's top ranking for research universities, a recognition of the depth and quality of OSU's graduate education and research programs.

Through its centers, institutes, Extension offices and Experiment Stations, OSU has a presence in almost every one of Oregon's 36 counties, including its main campus in Corvallis, the Hatfield Marine Sciences Center in Newport and OSU-Cascades Campus in Bend. OSU offers undergraduate, masters and doctoral degrees through 12 academic colleges enrolling more than 26,000 students from every county in Oregon, every state in the country and more than 90 nations.

The evaluation committee will then perform first stage evaluations on the Written Proposals based on the following evaluation criteria. Points will be given in each criteria and a total score will be determined. The maximum points available for each criterion are identified below.

<u>Evaluation Criteria</u>	<u>Points</u>
Proposal relative to the Statement of Work	40
Proposer's qualifications relative to the preferred qualifications	30

OSU may award after the first stage evaluation to the highest ranked Proposer without moving on to the second stage evaluation. Proposers who are included in the second stage evaluation may be requested to provide additional information about their Proposal through interviews, presentations, requests for best and final Proposals or other methods relevant to the goods or services, in order for the evaluation committee to make a final determination.
