4. INSURANCE:

- A. Without limiting the Contractor's indemnification, the parties agree that the Contractor must purchase at Contractor's own expense and maintain in force at all times during the performance of Services under this Contract the policies of insurance as set forth herein. Where the Contract shows specific limits, the parties understand that these are the minimum acceptable limits. If the Contractor's policy contains higher limits, OSU is entitled to coverage to the extent of such higher limits. Insurance carried by the Contractor under this Contract shall be primary and non-contributory.
- B. **Certificates of Insurance.** As evidence of the insurance coverages required by this Contract, the Contractor must furnish Certificate(s) of Insurance to the OSU Contract Officer prior to execution of the Contract. Such evidence, which the Contractor's insurance broker or agent executes and issues to OSU, must consist of a certificate of insurance or the policy declaration page with required endorsements attached thereto. Contractor hereby grants to OSU and NSF a waiver of any right to subrogation which any insurer of said Contractor may acquire against OSU or NSF by virtue of the payment of any loss under such insurance. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not OSU or NSF has received a waiver of subrogation endorsement from the insurer.
- F. If Contractor enters into subcontracts for any Services to be provided by Contractor to OSU, Contractor shall require that all subcontractors maintain insurance meeting all

the requirements stated in Section 4. Insurance types and minimum limits for individual subcontractors may be subject to modification with Approval of the Departmental Administrator and the Contract Officer.

a. **GENERAL LIABILITY INSURANCE.**

Commercial General Liability Insurance, including Products and Completed Operations coverage, with minimum limits of \$2,000,000 per occurrence and \$4,000,000 annual aggregate. c. **EXCESS/UMBRELLA LIABILITY.**

A combination of primary and excess/umbrella insurance may be used to meet the required limits of insurance.

e. **WORKERS' COMPENSATION.**

This coverage must include statutory coverage for states in which employees are engaging in Services and employer's liability protection with minimum limits of \$1,000,000 each accident; \$1,000,000 each employee; and \$1,000,000 each disease. - b. Notwithstanding paragraph (a), if a legal action or proceeding must be brought in a federal forum, the party shall bring the legal action or proceeding in the United States District Court for the District of Oregon. This paragraph does not authorize Contractor to bring a legal action or proceeding against OSU in a federal forum except to the extent Congress has validly abrogated OSU's sovereign immunity. This paragraph is also not a waiver by OSU of any form of immunity, including without limitation sovereign immunity and immunity based on the Eleventh Amendment to the United States Constitution.

The parties will schedule audits at a mutually agreeable time. The Contractor must include the substance of this Subsection 7. E.b. in all subcontract.
- c. In the conduct of audits or in meeting the audit requirements of the NSF, OSU may require and evaluate Contractor compliance with Office of Management and Budget (OMB) 2 CFR Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.
- d. OSU shall have the right to an independent third-party audit of the Contractor's records associated with or related to the goods or services provided for under this Contract. OSU may request an independent third-party audit no more than one time per calendar year. OSU will determine the time-period that will be the subject of the audit. Contractor is responsible for determining the appropriate means and manner of performing the services. Contractor is not an officer, employee or agent of OSU as those terms are used in ORS 30.265. Contractor has no authority to act on behalf of OSU and shall not purport to make any representation, contract, or commitment on behalf of OSU.

For purposes of this Subsection, the terms “grant” and “award” refer to funding issued by NSF to OSU. Notwithstanding anything in this Contract to the contrary, the following apply:
 1. As applicable, the U.S. Government reserves, and Contractor hereby grants, to the U.S. Government a nonexclusive, nontransferable, irrevocable, royalty-free license to exercise or have exercised for or on behalf of the U.S. throughout the world all the exclusive rights provided by copyright. Such license, however, will not include the right to sell copies or phonorecords of the copyrighted works to the public.
 2. If this Contract is for the performance of experimental, developmental, or research work, rights in any resulting invention will be in accordance with 37 CFR part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.
 3. The parties are subject to applicable requirements and regulations of NSF regarding rights in data first produced under a grant, subgrant or agreement under a grant or subgrant.
 4. If state or federal law requires that OSU or Contractor grant to the U.S. Government a license to any Work Product, or if state or federal law requires that OSU or United States own the Work Product, then Contractor shall execute such further documents and instruments as OSU or the U.S. Government may reasonably request in order to make any such grant or to assign ownership in the Work Product to the U.S. Government.

M. GRATUITY AND CONFLICT OF INTEREST.

- a. The Contractor agrees that Contractor will not extend any loan, gratuity, or gift of money of any form whatsoever to any employee of OSU, nor will Contractor rent or purchase any equipment or materials from any employee of OSU or to the best of Contractor's knowledge from any agent of an employee of OSU.
- b. If OSU finds that the Contractor or any of the Contractor's agents or representatives offered or gave gratuities (in the form of entertainment, gifts, or otherwise) to any official, employee, or agent of OSU, the State of Oregon, or any

federal agency in an attempt to secure a contract or favorable treatment in awarding, amending, or making any determinations related to the performance of this Contract, OSU may, by written notice to the Contractor, terminate this Contract. OSU may also pursue other rights and remedies that the law or the Contract provides.

- c. In the event OSU terminates this Contract as provided above, OSU may pursue the same remedies against the Contractor as it could pursue in the event of the Contractor's breach of the Contract, and any other damages to which it may be entitled by law.
- d. Before payment of the final invoice, the Contractor must execute and furnish OSU an affidavit certifying that Contractor has complied with the above provisions of the Contract.

N. EXECUTION AND COUNTERPARTS.

This Contract may be executed by facsimile or PDF and in two or more counterparts, each of which shall be deemed an original and all of which together shall constitute one instrument.

O. SURVIVAL.

The terms and conditions of this Contract that by their sense and context are intended to survive termination or expiration hereof shall so survive.

P. SEVERABILITY.

If any provision of this Contract is determined to be invalid, illegal or unenforceable, the remaining provisions of this Contract remain in full force and effect if the essential terms and conditions of this Contract for both parties remain valid, legal and enforceable.

Q. MERGER.

This Contract, including all documents referred to herein and attached hereto, constitutes the entire agreement between the parties and supersedes all prior representations, understanding and agreements between the parties. It is the complete and exclusive expression of the parties' agreement on the matters contained in this Contract. No amendment, consent, or waiver of terms of this Contract shall bind either party unless it is in writing and signed by authorized representatives of each of the parties. Any such amendment, consent, or waiver is effective only in the specific instance and for the specific purpose given.

R. TIME IS OF THE ESSENCE.

Contractor agrees that time is of the essence under this Contract.
