The following changes are hereby made:

**QUESTIONS:**

Item 6

Q1: We had a question about the format of the manufacturer pricing tables (ref. Exhibit 2 'Product Category Discounts'). The table currently requests manufacturer list price and then "MSRP discounts." Are we able to just fill in MSRP discounts?

A1: The manufacturer list price is not necessary to include in the proposal. Each table proposed must include at minimum, the proposed Manufacturer's name and the MSRP discount percentage(s) for each associated category under that Manufacture, using the category names as provided in the RFP table in Exhibit 2 'Product Category Discounts.'
