Upon such default, University may require Contractor to remove the Equipment at Contractor's sole expense and require Contractor to refund to University all amounts paid by University under this Agreement. University and Contractor may also negotiate any other resolution mutually acceptable to the Parties.

8.2 Contractor shall retain ownership of Licensed Deliverables. Contractor hereby grants University a perpetual, non-exclusive, non-transferable world-wide license to use each Licensed Deliverable to the extent required for University to use and maintain the Equipment in its capacity as an end-user. The License grant shall survive the termination of this Agreement.

9. Term and Termination.

9.1 This Agreement shall commence upon the date it is executed by the last person below, and unless earlier terminated pursuant hereto, shall extend until Contractor has received full payment for the Equipment by University and all services Contractor has agreed to provide have been performed.

9.3 University may terminate this Agreement immediately upon written notice in the event that: (a) federal or state laws, rules, regulations, or guidelines are modified or interpreted in such a way that any Deliverables or services to be provided by Contractor under this Agreement are no longer allowable or appropriate for purchase by University or are no longer eligible for the funding proposed for payment authorized by this Agreement; (b) University fails to receive funding, or appropriations, limitations, or

other expenditure authority at levels sufficient to pay Contractor for the services provided hereunder; (c) any license or certificate required by law or regulation to be held by Contractor to provide services under this Agreement is denied, revoked, or not renewed for any reason; (d) if Contractor becomes insolvent or admits in writing its inability to pay its debts as they mature, or makes an assignment for the benefit of creditors; (e) if a petition under any foreign, state, or United States bankruptcy act, receivership statute, or the like, as they now exist, or as they may be amended, is filed by Contractor; or (f) if such a petition is filed by any third party, or an application for a receiver is made by anyone and such petition or application is not resolved favorably to Contractor within ninety (90) calendar days. In the event of termination pursuant to this Section 9.4, University shall pay Contractor an equitable portion of the payments required under Section 7 for services actually performed by Contractor and Deliverables actually provided to University, but University shall have no further payment obligation to Contractor under this Agreement.

9.4 University may terminate this Agreement for convenience upon thirty (30) calendar days written notice. Upon termination for convenience by University, University shall pay Contractor an equitable portion of the payments required under Section 7 for services actually performed by Contractor and Deliverables actually provided to University, but University shall have no further payment obligation to Contractor under this Agreement.

9.5 Except as expressly provided in this Agreement, termination of this Agreement by University in accordance with this Agreement shall be without any penalty, obligation for future payments, damages, or liability whatsoever against the State of Oregon, the Oregon University System, the University, or any of their officers, agents, or employees. In no event shall termination of this Agreement entitle Contractor to recover anticipated profits on work not performed.

10. Representations and Warranties of Contractor.

10.1 Contractor represents and warrants that the services to be performed by Contractor pursuant to this Agreement shall be performed in a timely and professional manner by qualified personnel familiar with the installation of systems comparable to the Equipment.

10.3 Contractor represents that Contractor has the power and authority to enter into and perform this Agreement; that the execution, delivery and performance of this Agreement have been duly and validly authorized by all necessary action on the part of Contractor; that this Agreement has been duly executed and delivered by Contractor and constitutes a valid, binding and enforceable obligation of Contractor except as the

provisions of this Agreement may be rendered unenforceable by applicable bankruptcy, insolvency, reorganization, moratorium, or other similar laws effecting creditor's rights generally or the application of general principles of equity (regardless of whether enforcement is considered in a proceeding in equity or at law).

Contractor shall repair or replace, at Contractor's sole option, any defective or nonconforming individual item comprising the Equipment. Contractor will pay expenses for travel by Contractor's personnel to University's facilities for warranty repair during the Warranty period. Such defective or nonconforming item may be returned to Contractor's facility for warranty repair, provided, that University notifies Contractor in writing promptly after discovery of the defect or nonconformity and within the Warranty period. If returned to the Contractor's facility for repairs, University shall pay costs of shipping to Contractor's Facility. Insurance policies are to be issued by an insurance company authorized to do business in the State of Oregon with a minimum financial rating of an AM Best rating of A- or higher. All liability insurance will be arranged on an "occurrence" basis. No insurance will be allowed on a "claims made" basis.

12.2 INDEMNITY FOR INFRINGEMENT CLAIMS. EXCEPT TO THE EXTENT ARISING FROM MATERIALS PROVIDED TO CONTRACTOR BY UNIVERSITY, WHICH MATERIALS ARE UTILIZED BY CONTRACTOR IN THEIR UNALTERED FORM AND WITHOUT LIMITING THE GENERALITY OF THE INDEMNIFICATION CLAUSE REFERENCED IN THE HOLD HARMELSS SECTION BELOW, CONTRACTOR EXPRESSLY AGREES TO INDEMNIFY AND HOLD HARMLESS UNIVERSITY AND ITS DIRECTORS, OFFICERS, EMPLOYEES, AND AGENTS FROM AND AGAINST ANY AND ALL CLAIMS, SUITS, ACTIONS, LOSSES, LIABILITIES, COSTS, EXPENSES, AND DAMAGES ARISING OUT OF OR RELATED TO ANY CLAIMS THAT THE DELIVERABLES INFRINGE ANY PATENT, COPYRIGHT, TRADE SECRET, TRADEMARK, TRADE DRESS, MASK WORK, UTILITY DESIGN, OR

The indemnity under this Section will not apply to the extent such alleged or actual infringement arises as a result of (i) modifications of such work made by University which were not approved by Contractor, or (ii) Contractor's compliance with any of University's designs, specifications or instructions. In the event that a court of competent jurisdiction determines in a final, nonappealable order that the work is infringing in a manner for which Contractor is obligated to indemnify University pursuant to this Section, Contractor will, at its option, either (1) procure for University the right to continue using such infringing work; (2) replace the infringing work with a non-infringing item of like form, fit or function; or (3) modify the work so that it no longer infringes.

14.2 Notwithstanding the generality of the previous subsection, if Contractor intends to delegate one or more duties hereunder to a subcontractor, Contractor shall first furnish to University information to University's satisfaction as to the experience and competence of such subcontractors.

15. Independent Contractor.

Although University reserves the right to monitor and evaluate the quality of the performance of Contractor's duties hereunder, University shall not control the means or manner of Contractor's performance. Contractor is responsible for determining the appropriate means and manner for performing services hereunder.

15.2 Contractor hereby acknowledges that Contractor's employees shall have no right to participate in University's employee benefit plans or to receive statutory employment benefits from University. Contractor acknowledges that University is not responsible for the tax or other withholding of any employee of Contractor, and that no employee, agent, or contractor of Contractor is covered by University's disability insurance, worker's compensation insurance, or other such insurance. Contractor agrees that it shall carry its own such insurance and withhold any relevant taxes with regard to Contractor's employees. Contractor agrees to indemnify and hold University harmless from and against any and all claims, demands, damages, actions, suits, penalties, liabilities, and losses of any kind or character (including reasonable attorneys' fees) arising out of or connected in any way with its failure to pay such taxes or carry such insurance.

16. Records Maintenance; Access. Contractor shall maintain all fiscal records relating to the subject matter of this Agreement, and Contractor's performance hereunder, in accordance with Generally Accepted Accounting Principles. Additionally, Contractor shall maintain any other records pertinent to this Agreement in such a manner as to clearly document Contractor's performance of its duties under this Agreement.
