## Women's Field Utility Improvements

### Request for Qualifications

Oregon State University is seeking Qualifications from general contractors (GC) for the Women's Field Utility Improvements project (the "**Project**"). The Project will include replacement/repair of concrete, asphalt paving, irrigation, landscape, and other existing infrastructure. The utility construction will include new waterline and hydrants, construction of new stormwater and sanitary sewer mainlines, and associated manholes. On-site construction is anticipated to begin in late July, 2012.

Interested firms should download the RFQ from the OSU Procurement and Contract Services website <http://pacs.oregonstate.edu> (under Projects & Solicitations, Open Solicitations) and then respond in writing to the RFQ before 2:00 PM, May 24, 2012. If you have difficulties downloading the documents, contact Donna Thwing, Procurement and Contract Services, 644 SW 13<sup>th</sup> Street, Corvallis, Oregon 97333-4238, by email at [Donna.Thwing@oregonstate.edu](mailto:Donna.Thwing@oregonstate.edu) or telephone 541-737-7694.

OSU is an AA/EEO employer and encourages the submittal of responses from women, minority-owned and emerging small business enterprises.

OSU may reject any response not in compliance with all prescribed public contracting procedures and requirements, and may cancel this solicitation or reject any or all responses upon a finding of OSU it is the public interest to do so.
